

Benevolent Midax Constitution

Official member governance and support framework

Purpose

This document sets out the core values, governance principles and member responsibilities that guide Benevolent Midax as a confidential support community for employees and leadership of Midax.

Core principles

- Transparency in decision-making and reporting.
- Confidential handling of member information and claims.
- Fair access to support based on eligibility.
- Responsible use of contributions and records.
- Respectful communication across all portals.

Governance structure

The scheme is managed through members, leaders/admins and the superadmin function. Leaders coordinate support, review requests, and maintain records. The superadmin oversees constitution updates, published documents and system-level approvals.

Member obligations

- Keep profile and contact details up to date.
- Use the portal responsibly and maintain confidentiality.
- Follow the approved claims, communication and voting procedures.
- Respect other members, leaders and support staff.

Document control

The constitution can be viewed, downloaded and printed from the portal. Only the superadmin may publish a new official file version.
